YOU COOK, WE CARE

“India's most innovative Chimney Manufacturer”

Engineering Excellence, Innovative Technology and World-Class Manufacturing That Power Every Ventair Chimney.

THE ISLAND CHIMNEY

Island hoods are made for open kitchens. They hang from the ceiling and sit boldly. Positioned right above the cooktop, they catch the smoke quickly. Steam and grease don't roam free anymore. But hey, it's not just about function. These hoods also steal the spotlight easily. Sleek and premium, they match the vibe.

THE BLDC CHIMNEY

Crafted with cutting-edge noise reduction technology, our silent chimneys come with BLDC motors that operate at low noise levels (up to 32% lower noise compared to conventional chimneys), offering 9 speed levels with upto 80% energy saving, ensuring your kitchen remains undisturbed by the clatter and clamor of traditional chimneys. It's the perfect harmony of functionality and serenity, seamlessly integrating into your luxurious kitchen space.

THE SMART AUTO CLEAN CHIMNEY

After using your chimney for a few days, its insides get dirty because of the oil and grease stuck inside. This reduces the performance of your chimney. So, it is recommended that you must auto clean your chimney timely. But people often forget to do this even though it is as easy as touching the auto clean icon! Ventair's Smart Auto Clean Chimneys feature a special reminder function- it alerts you when it's time for cleaning based on its use & your cooking. Say hello to stress-free maintenance because it is time to be smart, even for your chimney.

THE HEAT AUTO CLEAN CHIMNEY

Ventair was the 1st brand to introduce the REVOLUTIONARY DRY HEAT AUTO CLEAN TECHNOLOGY in India. In just 10 minutes, your chimney is cleansed with efficiency and without any hassles. All you need to do is press the auto clean button and your chimney works its magic. The insides of your Ventair chimney will get heated up and melt all the oil and grease stuck inside which will flow inside the oil collector. You have to just wash the oil collector with water. That's how simple it is!
